MEETSAATHI / PRODUCT DESIGN

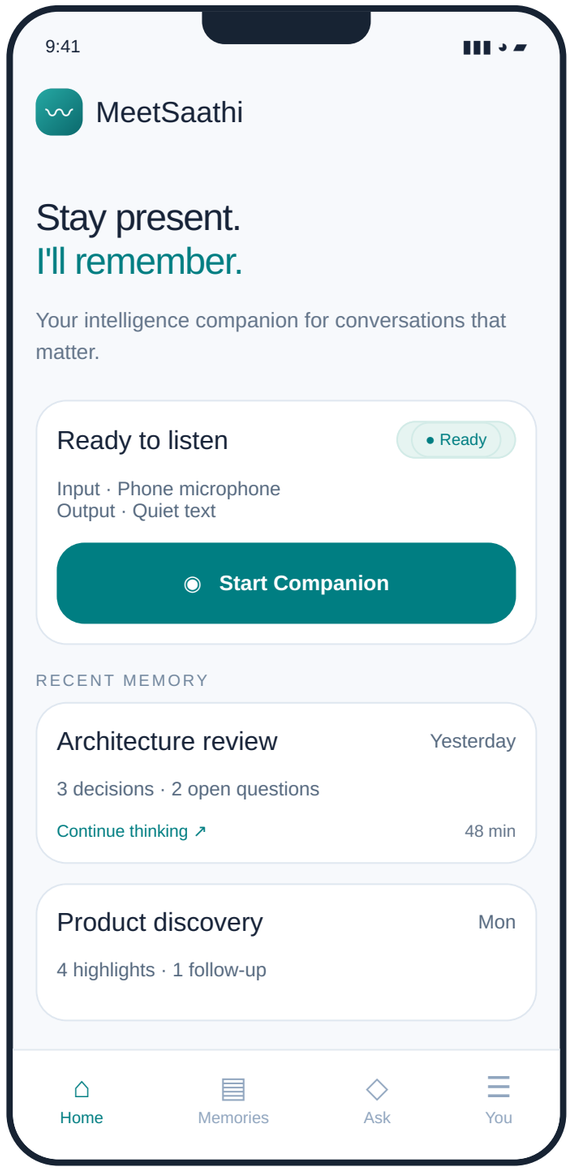

One companion. Every moment.

Seven visual interaction references for mobile-first, live, voice and memory experiences. Illustrative content; design specification, not a working app.

01 · Home

One primary action. Readiness at a glance.

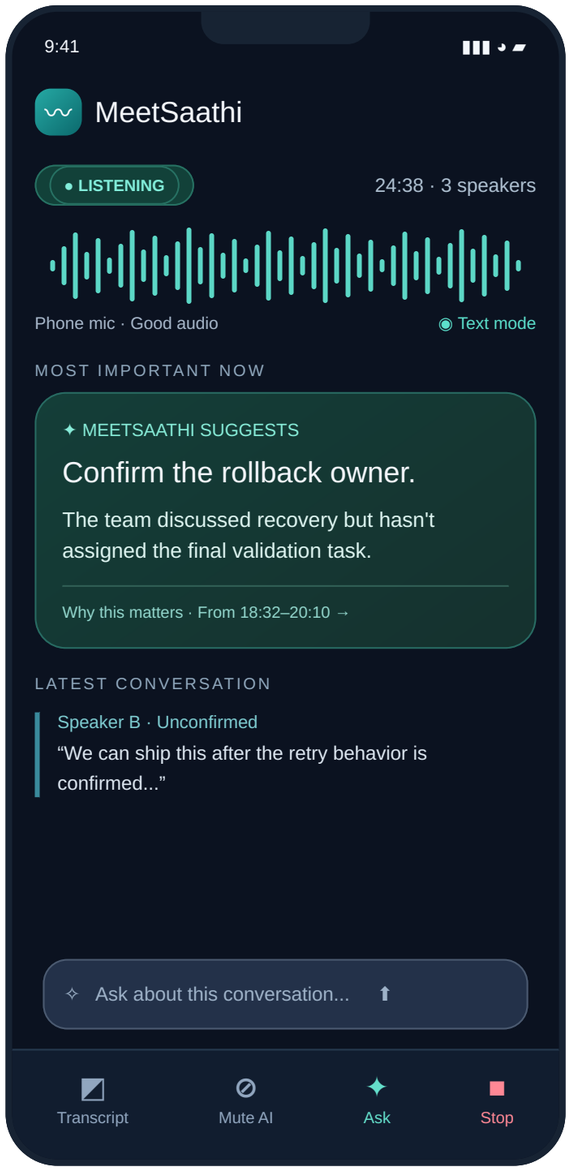

02 · Start

Safe setup without a long configuration form.

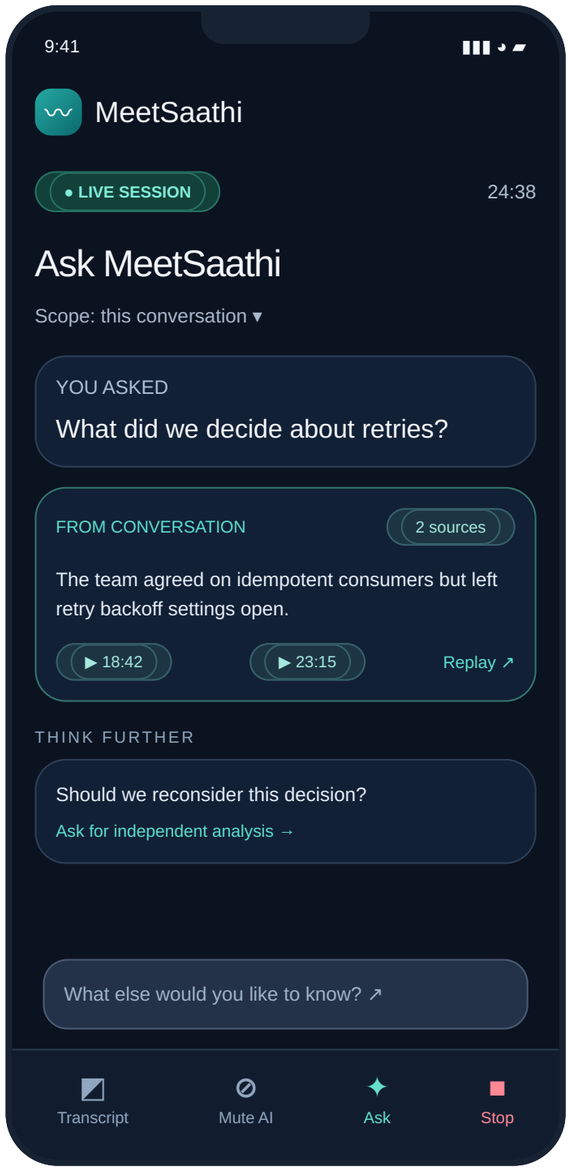

03 · Live Companion

The useful insight, not a noisy feed.

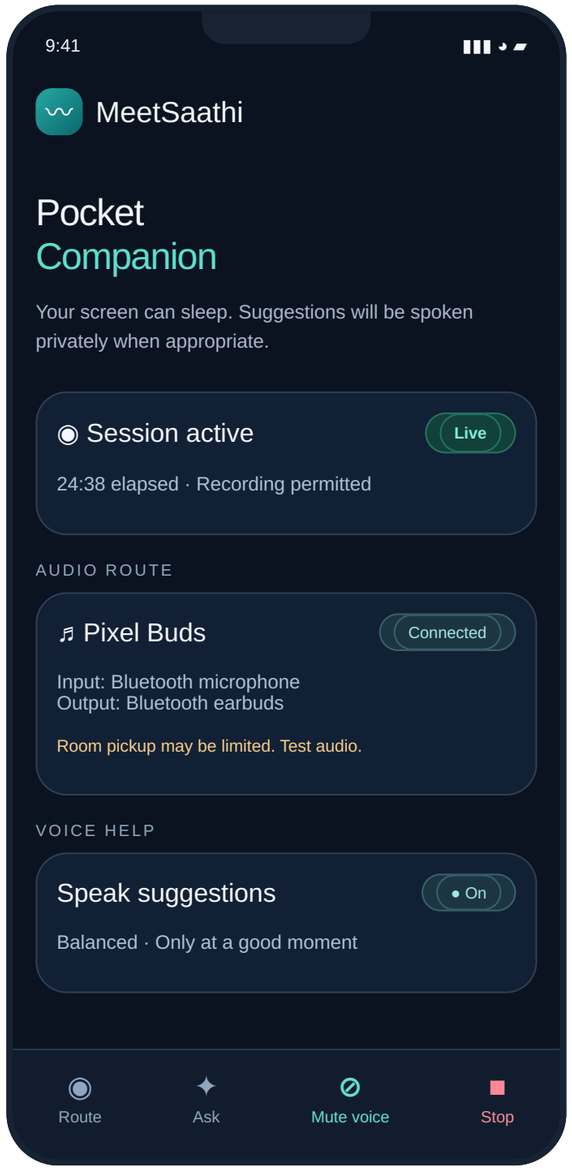

04 · Ask live

Evidence and independent reasoning are distinct.

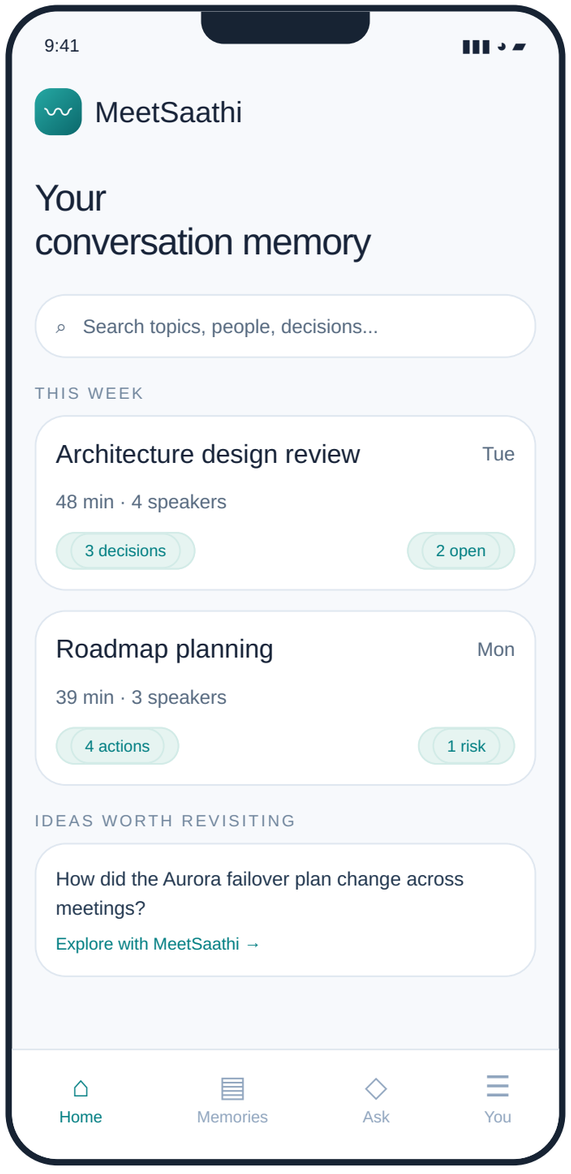

05 · Pocket voice

Device-aware private audio and fallback.

06 · Memories

Search conversations by decision and context.

07 · Meeting recap

Outcomes first, evidence one tap away.
