Learning should begin effortlessly

HOME

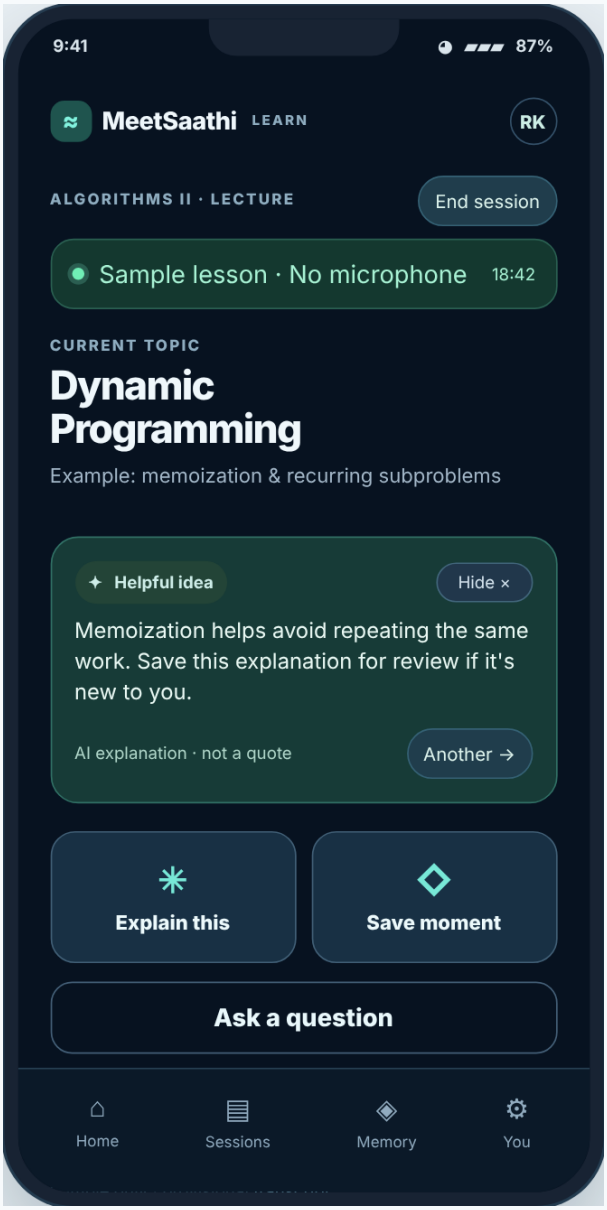

Learning home: one clear action, course context and review.

SETUP

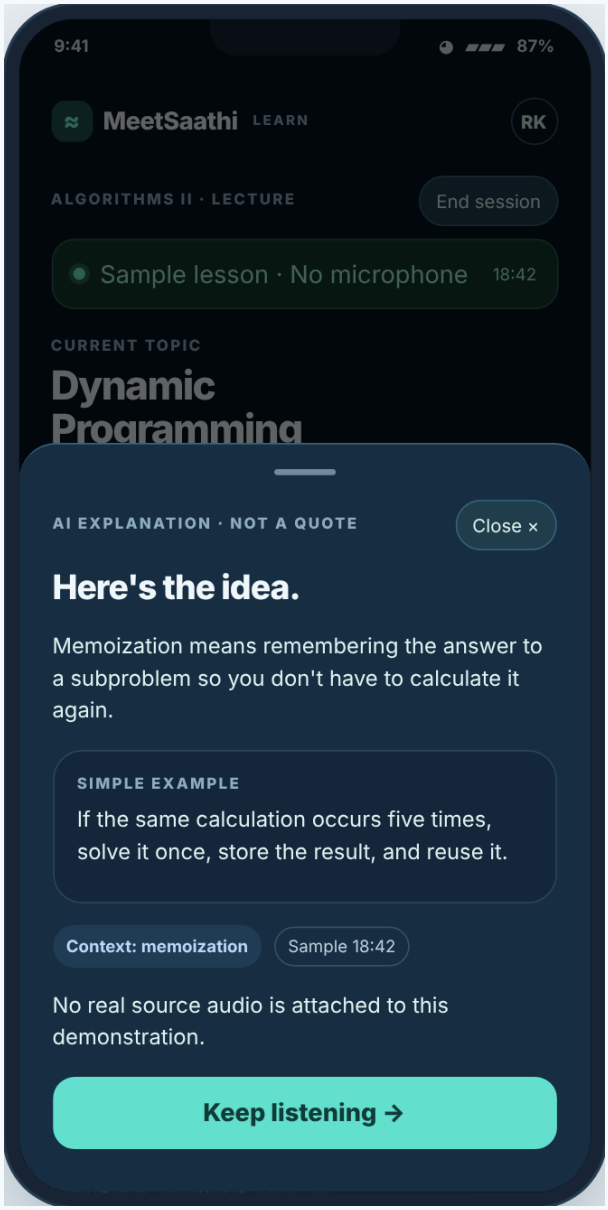

Permission: recording is never the only way to learn.

Calm assistance in the moment

LIVE

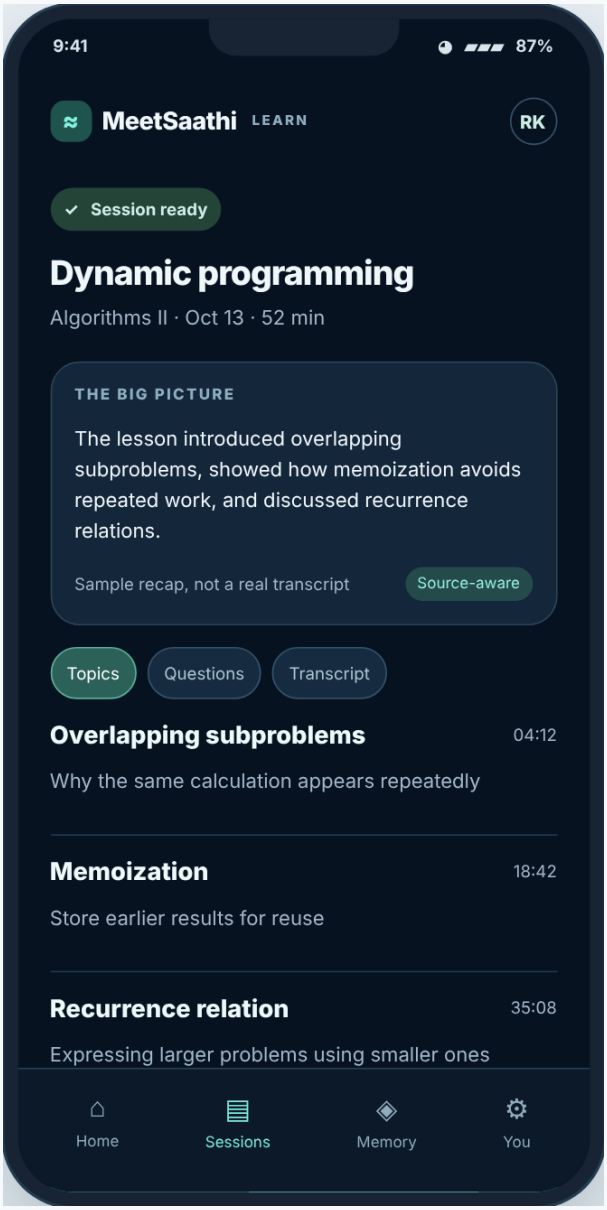

Live Focus: a single relevant insight and two big actions.

EXPLAIN

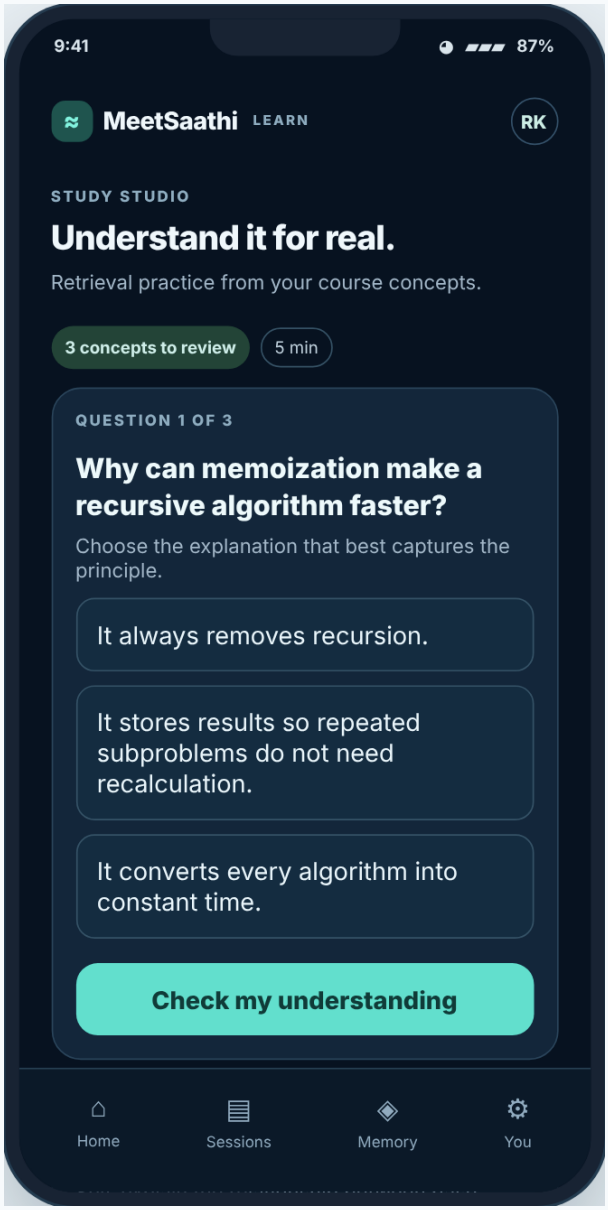

Explain: a short grounded teaching layer without losing the lecture.

Turn a lecture into lasting knowledge

RECAP

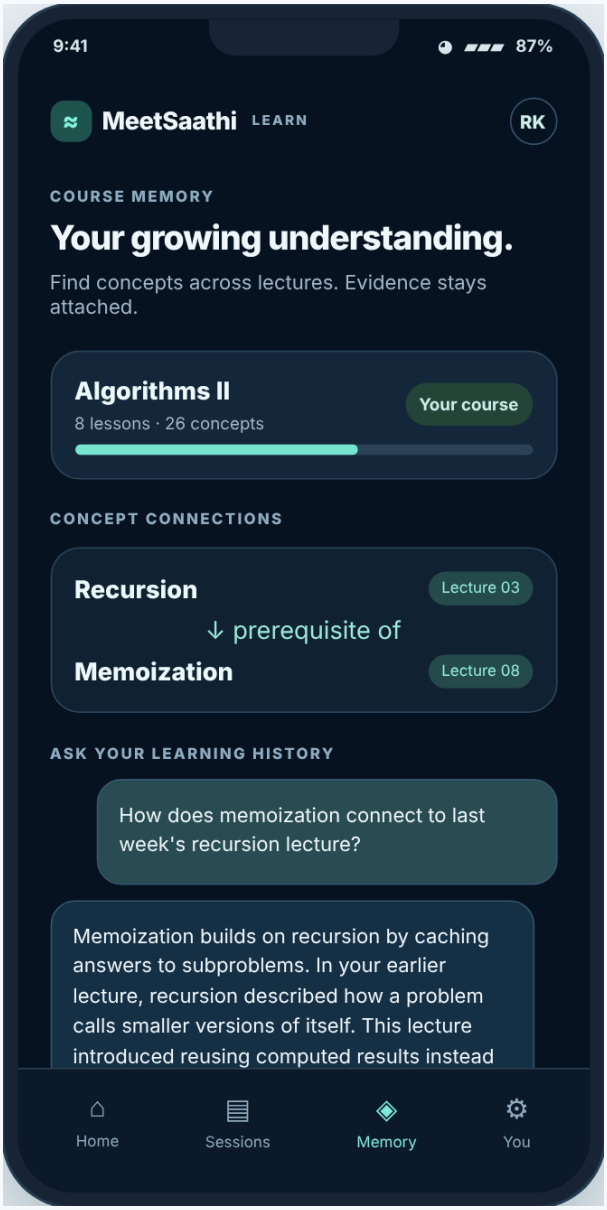

Recap: source-linked topics and honest uncertain sections.

STUDY

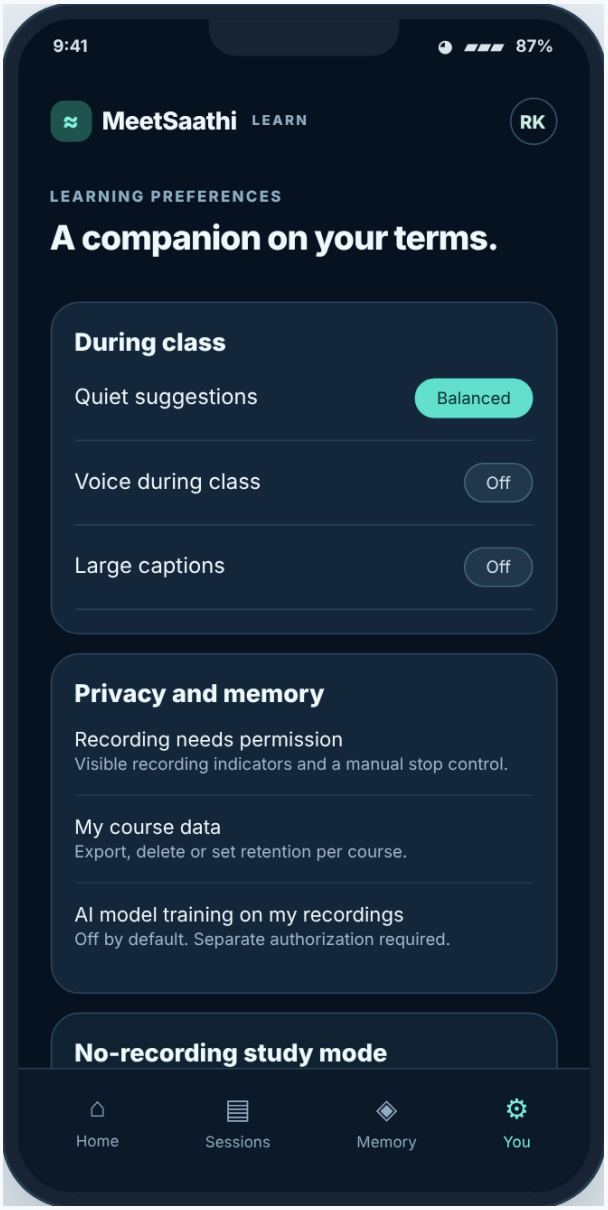

Study Studio: retrieval questions, feedback and review.

A learning companion that remembers

MEMORY

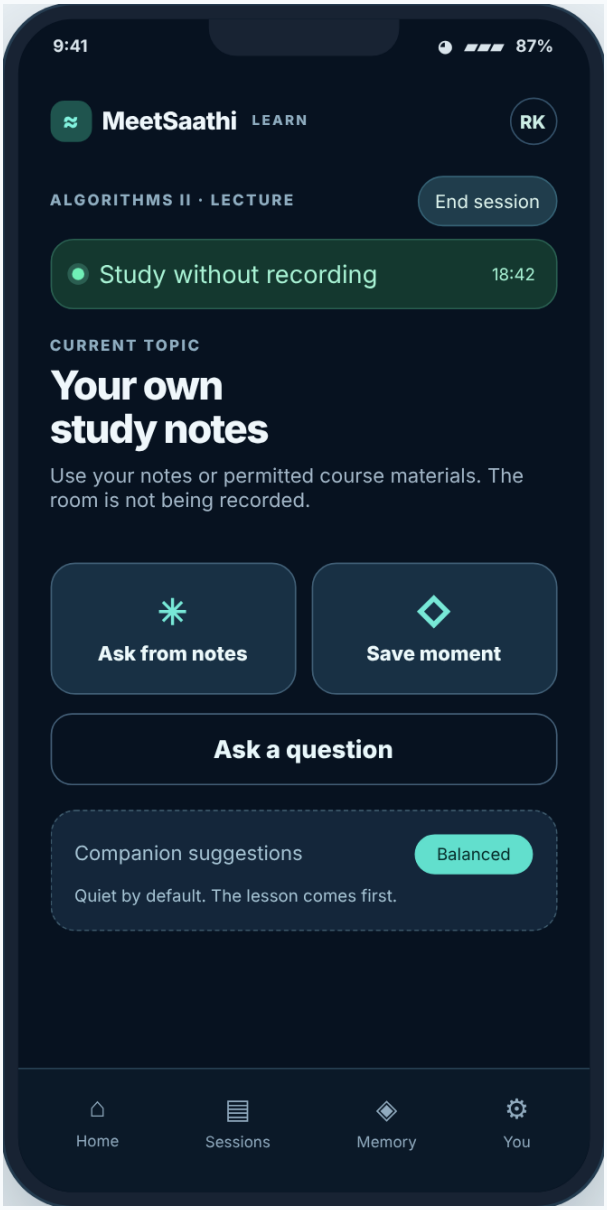

Course Memory: connected concepts across class sessions.

SETTINGS

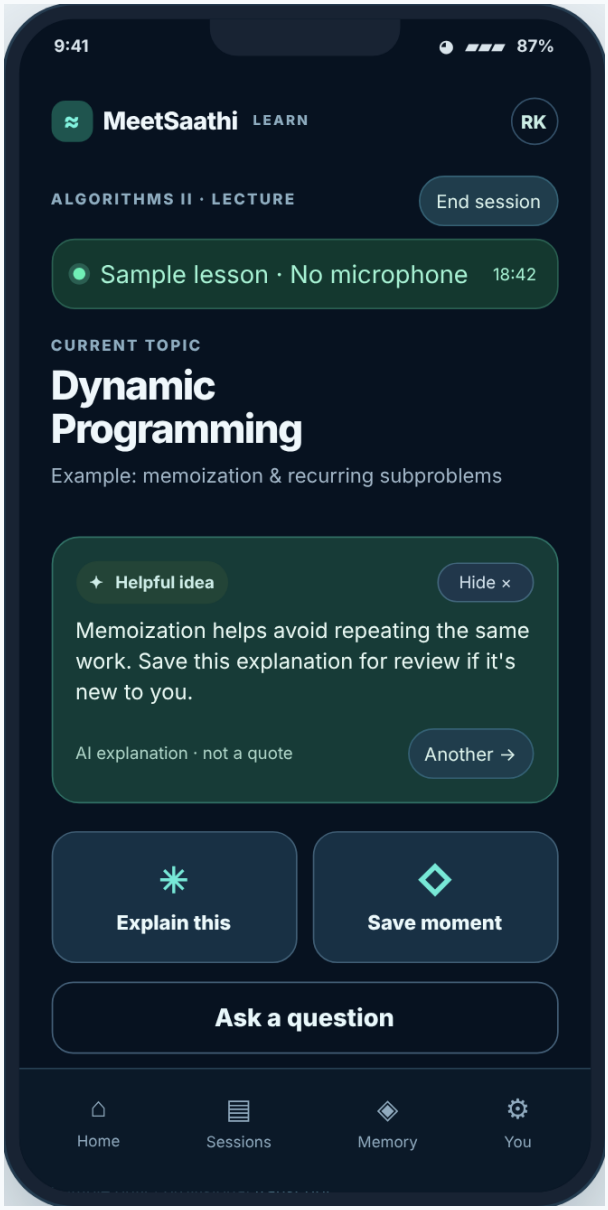

Preferences: voice, quietness and privacy are user-controlled.

When a classroom prohibits recording

NO RECORDING

No-recording: notes and permitted files, no pretend capture.

LIVE

Live sample: screen reference for an authorized lecture.
